P.M.A. PROGRAM

Creating Active Demand for Seeds!

Seed dealers, who are on their toes, are looking into the possibilities of getting some of the seed business that is developing as a result of the Flood and Disaster Relief Program being carried out by P.M.A.

We suggest that you contact the P.M.A. office in your county. This program plus the Soil Conservation Program plus the normal demand for seeds should all add up to a nice fall business for active seed dealers.

WE INVITE YOUR ORDERS OR INQUIRIES FOR PRICES—

We quote to Dealers only, F. O. B. St. Louis, subject to market changes. Terms: Cash; no discount, subject to demand draft. We make an extra charge of 25c per package on orders for 60 lbs. or less when priced for full bags. Parcel Post orders 25c extra plus postage.

We warrant to the extent of the purchase price that seeds or bulbs sold or as described on the container within recognized tolerances. We give no other or further warranty, express or implied.
